

Easter is more than a day!

It is actually 50 days lasting until Pentecost and called Eastertide. That is why the Paschal Candle is lit every day until Pentecost. On Easter Wednesday we will hear the story of Jesus preparing breakfast on the beach for the Apostles. Pick a day this week to have your own Easter breakfast picnic and drink in the beauty of God's creation all around us.

Random Act:

Be joyful in the Risen Christ and embrace the mercy and love He has for you!

Random Fact:

Money is made out of linen from Levi-Strauss, not paper, so it probably doesn't grow on trees.
