*If you are saddened by the loss of a loved one, then you need to give yourself some time to work through the natural process of grieving. In order to move on with your life after the death of another, you need to work through the natural process of grieving. Grief is the process by which we adapt to any loss. The process of grieving (or mourning) takes different people different amounts of time and no two people experience grief in exactly the same way. “A New Day” is a journey from grief to healing for anyone coping with the loss of a loved one.*

*Call Mary Jane to register now or to discuss this process!*

*(“Blessed are those who mourn, for they shall be comforted.”) Mt. 5*
