PARENTS/ADULTS/YOUNG ADULTS

As we prepare for the upcoming school year, we're continuing to make changes to our youth ministry program. We're looking for young adults and adults who want to make an investment in the teens of our parish. We need people who have a heart for our Lord and for ministry to teenagers as role-models. Another thing we need is parents who are willing to help out with food or who would donate some time to helping out. Rather than forming different groups of parents, we just want to put your name on our contact list in case we are preparing for a trip or event and need some food, or if we need someone who can help us construct something last minute. If you are even remotely interested, please... please contact Marty at the email or phone number in the header. We need your help and support!!! God bless you!!!
