

## Next Week: November 4 CAN IT

Time to serve! We're helping those less fortunate than us as we prepare for Thanksgiving. So, bring your canned food items (we will accept food items in boxes, too) with you to next week's class. The class who brings the most items gets 5 Almighty Scoreboard points. But our overall goal is 200lbs of canned foods.

THIS WEEKEND

## CATAclysmic

*"The Blood of the  
Martyrs is the  
seed of the Church."*

Tertullian 192 a.d.

Tertullian said it, and others lived it. The early Church was martyred out of hatred, because of fear, because of doubt, for fun, and for sport. But the Catholic Church multiplied extremely fast. They would meet in secret in underground tunnels to celebrate the Mass, to pray together, to be with friends and family, and for safety. Join us for a miraculous night where we see what it was like for the early church. A night where we visit the catacombs!
